

CERTIFICATE

The Certification Body **Alberk QA TECHNIC International Technical Inspection Certification Survey GmbH** hereby certifies that the company

Kuhse Power Solutions GmbH

An Der Kleinbahn 39
21423 Winsen/ Luhe, Germany

has established and applies a **Quality Management System**.

Scope of the company:

Development, production, commissioning and service of automation solutions for decentralised energy generation and distribution. In particular, control-, protection- and visualisation-systems for decentralised power generation in "critical infrastructures" with high availability and cyber security requirements. Electrical equipment for decentralised and hybrid power plants and their global support.

An audit was performed, documented in Report No: 210923-QM-RZA-KU, whereby proof was provided that the requirements are fulfilled in accordance with the following standard:

ISO 9001:2015

Certificate Registration No. : QA-D/9001/0496
Valid from : 01.10.2021
Valid until : 05.10.2024
